
AGILE NETWORKING PITCH OFF

Submit a 5 minute pitch to our guest judges on how you best position the **VOCUS** Agile Networking Solution.

Kicks Off
February
25th 2022

VOCUS

seccomglobal
The Cyber Security Company

FORTINET

\$1500
MAJOR PRIZE

1. 5 MINUTES PER PERSON

You will have 5-minutes to pitch how you best position Vocus Agile Networking solutions

2. EXTENDED KNOWLEDGE

Judging will also be based on your understanding of the underlying architecture.

3. THE VOCUS ADVANTAGE

And don't forget, why should your customer choose VOCUS for their Agile Networking Solution?

CRITERIA

Judging will focus on the ability for Vocus reps to understand and explain the Agile Networking Solution and it's underlying technology. A successful pitch will address the following:

- Advantages of Secure SDWAN
- How is it managed? Advantages of a Managed Service (SOC)
- Understanding of underlying architecture (ie internet rather than MPLS, Cloud Connectivity and Network Connectivity)
- The Vocus Advantage, why does Vocus stand out from the competition?

SUBMISSIONS & PRIZES

- There will be a State and National round, where winners from each state will progress to the National round.
- Prizes will be awarded to each State winner (\$500) and a major prize to the National winner (\$1500).
- State based submissions need to be sent in via video in MP4 format. All videos must be continuous and unedited.
- Submit your Pitch via the following URL www.seccomglobal.com/agilepitchoff
- National judging will be via live video conference or in person.
- State entries close 25th March 2022, with winners announced by 1st April.
- National finals will be hosted on the 8th April 2022.
